## ABOUT THE COLLEGE

It is twenty-three years since our Netaji Satabarshiki Mahavidyalaya began its humble journey and indeed in all these years it has carefully built brick by brick an edifice of education and has been nurturing students with purpose and passion and paving the path for opportunities and success. Starting as an affiliated college under the University of Calcutta in 2000, the affiliation of the college was switched to West Bengal State University at Barasat since 2008 like all the other 57 colleges of the district. Now the College has a decent two-storied building comprising of 19 classrooms at present and three specific rooms/labs have been allotted to the departments of Geography, Music and Journalism & Mass Communication.

Two ICT rooms as well as one virtual classroom are in use for the last five years. The college library with its spacious reading room provides the students a wide array of books and materials that facilitates the learning process coupled with internet connectivity. It has an air-conditioned stack room for better upkeep of books and periodicals. Now, the student strength of the college is around three thousand. The teaching-learning- evaluation infrastructure and ambience of the college are conducive to academic upliftment. It has struck an exemplary chord among the neighboring schools and colleges. The results of university examinations over the years speak of our achievement despite having a serious shortage of funds, manpower, and infrastructure. Over the years the reputation of the college has spread far and wide and it has consistently attracted students from distant areas and diverse strata of the society who routinely vie for admission each year to become a part of this august institution.

Presently the college offers Honours in ten subjects in B.A. and B.Sc.: Bengali, English, History, Political Science, Geography, Journalism and Mass Comm, Sociology, Music, Sanskrit, and Education. There are twelve (12) General subjects available in B.A. and B.Sc: Bengali, English, History, Political Science, Geography, Sociology, Education, Physical Education, Economics, Sanskrit, Journalism and Mass Communication and Mathematics.

A computer course has been initiated under the supervision of NIELIT from the 2016-17 session on a compulsory basis at a reasonable cost. The college library is steadily being upgraded on all fronts with infrastructural developments -- books, journals, magazines, and e-resources. Presently the number of books in the college library stands at around 11,900 along with institutional subscriptions to 7 leading journals. The library provides computer facilities along with reading room facilities to staff and students. Apart from the central library, there are departmental libraries of the Core subjects which though small still cater to the specific needs of the faculties and students of the respective subjects.

The college now has a decent Student Union building outside the main building of the college within the campus along with a boy's and a girl's common rooms. The college canteen building has come up beside it. The canteen provides a variety of food items at a reasonable price to the staff and students.

The motto of the college has unflinchingly remained to impart the best with the least means. The college was accorded 2(f) and 12B status by the UGC in October 2011. The college started getting financial assistance from the UGC for infrastructure, equipment, and seminars till February 2013, when the UGC withdrew our 12B status on the ground that the affiliating university, WBSU, did not have 12B yet. In 2015 WBSU got its 12B status from the UGC. We started correspondences with the UGC to get back our 12B status which finally the college received in March 2016.

There is no denying that the college is heading for excellence. Now it also has a Career Counseling Cell, RTI section, Research Committee, Minority Cell and Anti-Sexual Harassment Cell. The NSS Unit of the college is working hard and reaching out to the neighbouring community of people. The college is linked with the Students' Health Home that caters to the medical needs of the students. The college has also adopted the village of Gilapole as a part of the Social Outreach Programme.

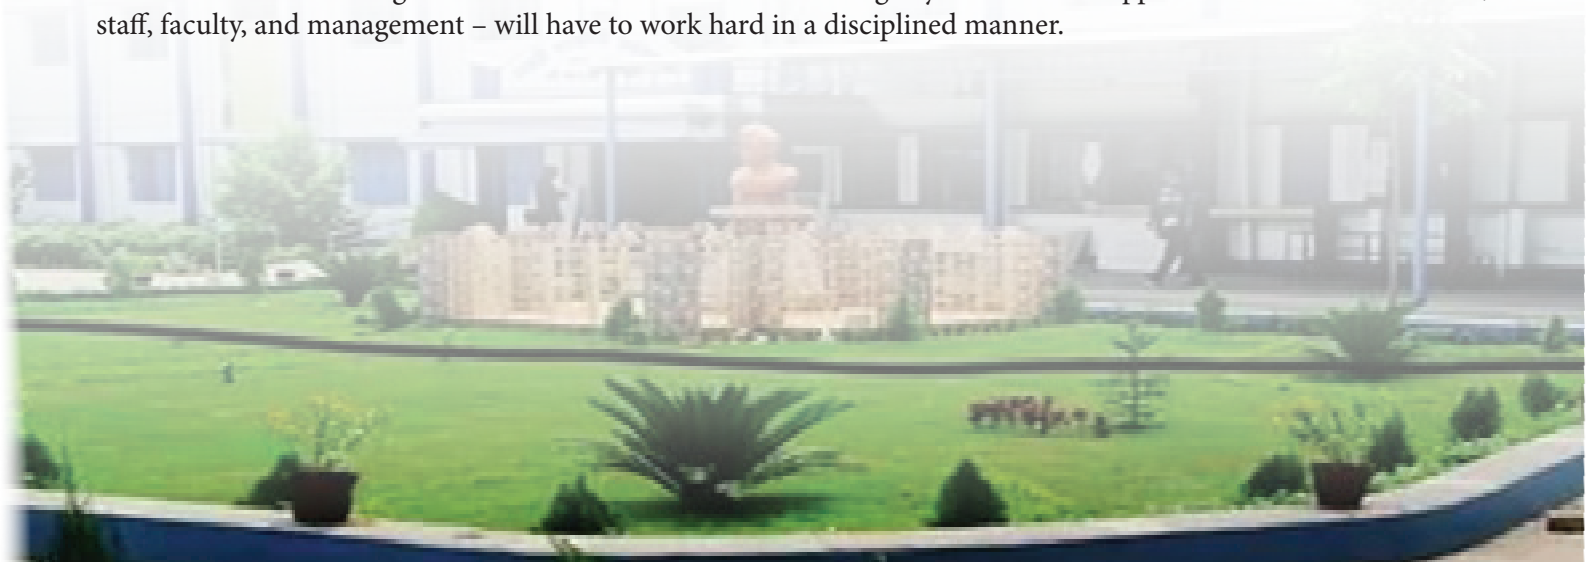

Since the institution's inception, the students of the college have made their marks in the fields of games and sports. Their achievements are lauded by trophies and awards in various fields and they have successfully participated and contributed to national events representing the university.

The college Governing Body was formed in 2008 and has been providing adequate guidance in the functioning of the college. The Students' Council is also quite cooperative and lends effective support in conducting all academic and administrative matters concerning students.

Since the 2014-15 academic session, the college has adopted online admission system which has enormously saved time, hazards, and misconceptions of the otherwise cumbersome process. Since 2015-16 sessions, in colleges all over West Bengal, this system has been introduced by an order of the Higher Education Department of Govt. of West Bengal.

The college received a donation of Rs. 10000/- from the eldest son of late Dr. Sadhan Sen to allot award/prizes to two best students of the final year – one from Honours and the other from General course; Sri Anay Kundu in memory of his younger brother Tanmoy Kundu who was a meritorious student of our college, provided funds for awarding the topper in Bengali Honours every year. The annual award ceremony is organised in the month of January every year to celebrate the achievements of our students.

On a positive note, the future of the college holds the promise of excellence by moving ahead with the prospect of introducing new courses, both in B.A. and B.Sc. The 4 YEAR UG PROGRAM under NEP will roll out from the 2023-24 session role to facilitate greater flexibility in the choice of subjects th college can offer to the enrolled students. We look forward to marching towards academic excellence in coming days. For this to happen all concerned – students, staff, faculty, and management – will have to work hard in a disciplined manner.

## VISION:

Since the beginning, the mission of the college has been to inculcate collegiate (degree level) education among the economically challenged and minority community students of neighbouring areas from where students throng to get admitted into this college. This vision demands the introduction of modern subjects, job-oriented courses commensurate with the needs of the day and the conventional subjects of study. The college tries to impart quality knowledge and promote all-round personality development of the students by classroom teaching and creating awareness about their social and cultural milieu. The college has ever since remained true to its goal of developing disciplined individuals who would be at once global in outlook, national in ethos and respectful to local duties and commitments. Presently, the College authority is planning to introduce science stream in a new building. Efforts to get funds for these are in full progress.

## MISSION STATEMENT:

- Spread of degree-level education among the economically challenged and minority community students regularly being admitted to the college
- Introduction of job-oriented and contemporary subjects to cope with the needs of the day along with the conventional subjects.
- Ensuring adequate academic and physical infrastructure of learning.
- Ensuring financial assistance to economically challenged students.
- Personality development of the students on all-round basis, developing their knowledge base and inculcating social awareness among them.
- Promotion of cultural activities and encouraging regular programs to make the students conscious about the huge cultural heritage of our college.
- Adopt welfare measures for the staff and students.

## COMPOSITION OF THE GOVERNING BODY (2021-25)

SL. NO.	NAME	CATEGORY	DESIGNATION
1	Sri. Narayan Goswami	Govt. Nominee	President
2	Prof. Milinda Majumdar	T.I.C.	Secretary
3	Sri. Samir Dutta	Govt. Nominee	Member
4	Sri. Srikanta Chowdhury	Govt. Nominee	Member
5	Prof. Ramesh Barman	WBSCHÉ Nominee	Member
6	Dr. Purabi Das	WBSU Nominee	Member
7	Prof. Soumik Saha	WBSU Nominee	Member
8	Dr. Papri Chakrabarti	Teacher Representative	Member
9	Dr. Pradip Kumar Mandal	Teacher Representative	Member
10	Prof. Samiran Sarkar	Teacher Representative	Member
11	Sri. Biplab Das	Non-teaching Representative	Member
12	Vacant	Students' Union Representative	Member

## INTERNAL QUALITY ASSURANCE CELL (IQAC)

The college has established the Internal Quality Assurance Cell (IQAC) and since its initiation, the IQAC has been a functioning unit, supervising the teaching-learning process of the institution. The Internal Quality Assurance Cell contributes to the improvement of the teaching-learning process in the following ways:

1. By evaluating the quality of teaching-learning and taking up such issues as regularity and punctuality of students and teachers.
2. By monitoring and evaluating the quality of its programmes.
3. By ensuring quality checks of curriculum implementation.
4. By effective implementation of the evaluation reforms of the University.
5. By planning for new courses at level and resolving to open a Post-graduate wing.
6. To plan the teaching-learning process in an innovative way.
7. To initiate seminars, webinars, and workshops related activities in the relevant subjects.
8. To facilitate greater use of internet facility to access study materials and other academic sites.
9. To encourage the teachers to take part in various faculty development programmes and research activities.
10. By maintaining the Self-Appraisal Report of the faculty members.

## COMPOSITION OF IQAC 2021-23

SL. NO.	MEMBERS	NAME
1	Chairperson	Prof. Milinda Majumdar
2	IQAC Coordinator	Dr. Papri Chakrabarti
3	Teacher Representatives	Dr. Pradip Kumar Mandal

## ADMISSION PROCESS

The institution follows the criteria stipulated in the UG Admission regulation of Govt. of West Bengal and WBSU. For admission in to Honours subjects, aggregate marks are calculated by adding the marks of the top four subjects in order of marks obtained by a candidate at the H.S. level (+2 level) Exam. The college publishes the Admission Notice on the college Notice Board & the college website [www.nsmashoknagar.ac.in](http://www.nsmashoknagar.ac.in) containing information

*The college office*

regarding the availability of admission forms, eligibility criteria, and seats with reservation provision as per rule, procedures, option for courses, and all other information pertaining to the admission criteria. The college introduced online admissions from the session 2014-15. The technical aspects of this online admission process is taken care of by an agency under the direct control of the college authority. The college e-prospectus comes out with necessary details relating to admission and various other information. **Admission would be done via the online mode. Admission will be in the order of merit. Applicants should not visit the college campus for admission purpose. All information regarding admission will be available on our website [www.nsmashoknagar.ac.in](http://www.nsmashoknagar.ac.in)**

## CHANGE OF STREAM AND SUBJECTS:

Candidates are advised to be extremely cautious while selecting streams, subjects, etc. before taking admission. Prayer for change of subject will be permitted as per WBSU guidelines.

## COLLEGE EXAMINATION:

The college conducts internal examination in Core/General Subjects. Apart from this examination, the students are advised to sit for class tests when conducted by a teacher. The practical examination for the science stream (General) is taken based on continuous evaluation in the practical classes. Attendance is mandatory in the practical classes. The percentage of presence of the students is also allotted a considerable share of the total marks. Long absence may result in loss of marks. Absence in any of these examinations/tests will be considered a break of the academic discipline of the college and is to be seriously dealt with unless an exemption has been previously applied for and granted.

# ACTIVITIES OF THE INSTITUTION IN THE SESSION 2022-23

## STUDENT CENTRIC E-LEARNING: LMS (LEARNING MANAGEMENT SYSTEM)

The institution has the provision of LMS (Learning Management System). During the pandemic, these online e-learning windows became the backbone of maintaining academic progress and delivering the students with needed resources. The teachers shared a range of e-resources and materials through the LMS (Learning Management System) for the convenience of the students and by catering to their interests and needs, the teachers tried to encourage them in their academic journey.

LMS (Learning Management System)

## SEMINARS/WEBINARS AND WORKSHOPS

Academic seminars and webinars are regularly organized in our college. Teachers and students participate in the various state, national, and international level seminars & workshops enthusiastically. Seminars and webinars were also organized with departmental and committee initiatives to boost the scholastic mind. On 6th June, 2022, Journalism and Mass Communication Department in collaboration with IQAC organized an international seminar in which several papers were submitted by faculty members and research scholars from other colleges and universities as well.

## LIBRARY FACILITIES

The library of the college contributes immensely to the academic upgradation of the institution. With the restrictions on physical presence on college campus due to COVID-19 protocols the library also couldn't be accessed physically by the students. In such a scenario the library has sought to utilize various ways to cater to the students and faculty by providing different e-books, e-journals through N-List and also helped with reference services. The library organized its orientation programme for the students through online mode which was also streamed on the college YouTube channel. The library also organized an online orientation programme for the faculty members on how to use the N-list and utilize diverse online sources. Our library has succeeded in providing WEBOPAC facility from the last academic session, so from now on our students and teachers can access the catalogue of existing books in library from anywhere. The library is also providing fully automated library services. The library in collaboration with the IQAC of the college also organized a debate competition which encouraged the students to express their views. It was aimed towards making them more expressive, boosting their confidence and widening the horizon of their thought process. It was a vibrant experience with enthusiastic participation of our students.

*Library orientation programme*

*Debate Competition, organised by Library*

## STUDENT MENTORING: BRIDGING THE TEACHERS AND STUDENTS.

*Student Mentoring*

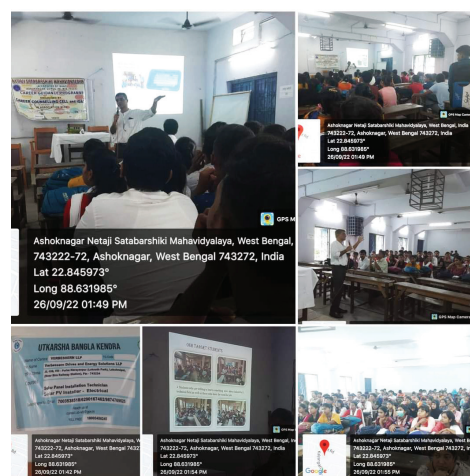

The mentoring system is one of the best practices of our college. The pandemic and continuing lockdown took a toll on the mental health of the students who needed a moral boost up along with necessary information and advice regarding their institutional education and career. The mentors carried out this responsibility with utmost sincerity and empathy and were thoroughly connected to their mentees mainly through phone calls and online platforms. However, they also counselled in person once the educational institutions were reopened albeit for a brief period in November, 2021. This ascertained better attendance, interaction and helped to curb the percentage of drop-outs. Our college facilitated a vaccination drive organised by the WB Government where the mentors, vigilant regarding their mentee's well-being, played a vital role in reaching out to them and ensured vaccination of the students as far as possible.

## CAREER COUNSELLING

The Career Counselling cell of the college aims towards guiding the students to be economically independent by unveiling before them various upcoming career opportunities besides the conventional ones and how they may be pursued both alongside the graduate degree course and after the

completion of the same. The cell hosted Verbessern Drives and Energy Solutions associated with PBSSD(Utkarsh Bangla) to inform students about recent developments in the field of non-conventional energy sources like solar energy and how it has prospects of skill enhancement and employment along with being ecocentric. Non-profit organizations such as Anudip Foundation informed students about career prospects in various fields. The cell is always interactive encouraging the students to voice their future plans and counselling them accordingly.

## FEES CONCESSION

The college took the initiative to provide concession to the students across all semesters amidst the financial difficulties due to the imposition of the lockdown. The college reduced fee amount on various heads such as admission, tuition, development, computer fees, practical, sports, college app & LMS, student aid for admission to 1st semester course. Apart from the above-mentioned areas, the college also completely waived off any electricity fees. It is pertinent to mention here that even during lockdown the college building was functioning as a shelter to migrant workers and then as a safe home which required the college to pay electricity bill throughout this period. As a laudable initiative, the student council also reduced the student council fee for the students. The college duly notified that if either or both the parents of any student expired due to COVID-19 their admissions will be taken care of by the college. A further provision of special concession above the general concession was provided to students who applied for it through their mentors or student council and was thereby verified to give the maximum benefit to the most disadvantaged and needy of all. In general, the college authority provides fee concession to meritorious students as well as to good sportspersons enrolled in our college

## STUDENT SCHOLARSHIP

The college provides services by facilitating the applications of students for various government scholarships like Kanyashree Prakalpya, Swami Vivekananda Scholarship, Aikashree Prakalpa, minority scholarships, and many others. The college office staff and the student welfare and minority committee members worked diligently to provide the students with the necessary information, distributing forms, verification of the submitted applications even during the pandemic situation to help the students in every possible way.

## SOCIAL RESPONSIBILITY

### NSS & EXTENSION

The NSS unit of the college has been actively working to instill the spirit of community service and social responsibility. The NSS unit along with the Committee on Extension activities undertook various activities to keep up the motto of spreading awareness especially in a needed time like the pandemic affecting the community severely. The volunteers planted trees to spread environmental awareness, published the **Swachh magazine** through online mode, and also observed 'Youth Day'

## REGULAR ACTIVITIES OF NETAJI SATABARSHIKI MAHAVIDYALAYA

### DEDICATED FACULTY (REGULAR CLASSES AND SPECIAL ATTENTION TO STUDENTS)

Teachers take regular classes following the master routine and departmental routine in the normal circumstance. Besides classroom teaching, teachers share e-resources and study materials through the LMS (Learning Management System) and whatsapp groups for the convenience of helping them define their academic journey. Dedicated faculty takes extra care to motivate students to use online platforms for their higher education.

Classroom teaching

### INTERDISCIPLINARY LECTURES

Apart from the classroom lectures, the departments organize interdisciplinary lectures so that the topics under study are better understood and the students can have a holistic understanding of the social and natural worlds. In the present scenario when the world is full of issues which are complex, challenging to solve and even hard to define, these interdisciplinary lectures help our students in developing various intellectual skills, like advance critical thinking, integration, synthesis, and ability to approach and address these problems in a different perspective by effectively connecting the disparate realms of information and knowledge provided by discrete disciplines.

## LIBRARY ORIENTATION PROGRAMME

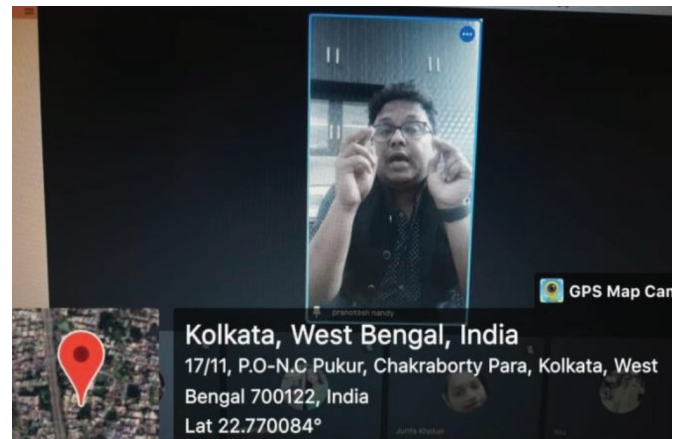

## SEMINARS AND WORKSHOPS

Academic seminars and webinars are regularly organized in our college. Teachers and students participate in the various state, national, and international level seminars & workshops enthusiastically. Seminars and webinars were also organized with departmental and committee initiatives to boost the scholastic mind.

*Seminar Organised by Bengali Department*

*Lecture series: Organised by Department of Journalism and Mass Communication*

*Seminars in college*

*Workshop (Student credit card)*

## COMPUTER TRAINING COURSE

From 2016-17, the “Basic Computer Course” has been made compulsory for all the students irrespective of streams at a very nominal cost. For this purpose, the institution has decided to upgrade the infrastructural facilities by providing access to computers and free Wi-Fi connectivity to all students within the campus.

## VOCATIONAL COURSE

From the academic session 2021-22, our college, in collaboration with Webel, has introduced a mobile repairing course spanning 3 months for the students with an aim to enhance their vocational skills which would help them to secure employment or even start a business venture of their own while studying and thus provide for themselves and their families.

## EDUCATIONAL TOUR

Together with the usual class-room teaching and outdoor practical classes, educational tours with the students of the departments are arranged to different places of educational and historical importance. Last year the departments could not arrange such tours due to the COVID 19 situation. But in this academic session, seven Honours departments separately organized such tours and created exciting opportunity for our students to experience art and culture first hand and appreciate things in a much deeper level than they ever could in the classroom.

*Educational tours*

## STUDENT MENTORING

The mentoring system is one of the best practices of our college. It is pivotal in cementing the bond between the teachers and students. A mentor takes care of the mentees continually for three years. The mentors through an empathetic approach remain available to the students and guide them academically and emotionally. They try to build a bond cutting across the domain of classroom teaching and to become a support system to their mentees. The mentors keep detailed records which are regularly accounted by IQAC.

## FACILITATING SCHOLARSHIPS

The college office provides application forms of “Kanyashree Prakalpa” (a conditional cash transfer scheme under the Department of Women Development and Social Welfare, Government of West Bengal) and has the aim of improving the status and well-being of the girl child in West Bengal by innervating schooling of teenage girls. Apart from that, the college assists with two other state government-sponsored scholarships. One is the “Swami Vivekananda Scholarship”, which is a merit-cum-means based scholarship scheme for the meritorious and economically backward students and the other is “Aikyashree” which is for the meritorious students of the minority community. In this way, students can apply for all types of Govt. scholarships with the help of the college office staff and under the proper supervision of various committees of the college. In the academic session, 2020-21 a total number of 1450 students got government scholarships amounting to Rs. 1,00,40,500.

## FEES CONCESSION

Concession in fees and free studentship may be granted but on the basis of merit cum means under the existing rules. Defaulters in stipulated attendance will not be entertained for such concession. Students praying for the concession of fees in tuition fees must submit their applications in prescribed format within the notified date. In this regard, students are called for an interview before the Concession Sub-Committee.

## STUDENT-CENTRIC IMPORTANT COMMITTEES & CELLS

There are different committees to address student problems and raise awareness

### CAREER COUNSELLING CELL

The cell has been established to counsel and guide our students in relation to the career opportunities in their respective areas. While our teachers help out by offering information and other related data on a regular basis, the invited career counselors also visit our college to exhibit diverse career plans and help to develop the job skills of the students.

Career counselling

### INTERNAL COMPLAINTS COMMITTEE (ICC)

The college has constituted Internal Complaints Committee (ICC) as per the UGC guidelines to receive and redress complaints on sexual harassment at workplace.

### MINORITY CELL

Following the UGC regulations, Netaji Satabarshiki Mahavidyalaya has set up a cell for the minority students with representatives from the teachers and the non-teaching staff. The objectives of the cell are to look into the general welfare and progression of minority students. Like previous year, in this year also the cell organized webinar to make our students aware of different types of central and state scholarships.

### ANTI-RAGGING COMMITTEE

The college administration along with the students' council has put in place an Anti-Ragging Committee for building and preserving a culture of Ragging-Free Environment on the campus. The functions of Anti-Ragging committee is to keep a strict vigil, prevent the incidences of ragging and most importantly to create awareness amongst the students about the ill effects of ragging. The committee also educates the students by adopting various means like exhibiting posters or holding programmes regarding the menace of ragging and the related punishments there to.

### GRIEVANCE REDRESSAL CELL

In order to promote and maintain a conducive and harmonious educational environment among the students, the Grievance Redressal Cell of our college looks into the complaints lodged by the students. They can voice any kind of discontent or dissatisfaction regarding academic and non-academic matters in the college campus freely and frankly without any fear of victimization. Complaint Boxes are installed in the college campus in which they can drop their writings or they can register their compliance through mailing to the convenor of the cell. In this respect, mentors play a very vital role in showing the ways in which he/she can lodge complaint and ask for redressal and also giving moral support to their mentees. The cell addresses their grievances promptly with an impartial and fair approach.

## NSS UNIT & EXTENSION PROGRAMME

The NSS unit plays a pivotal role to instill social responsibility in the students thereby preparing them for real life situations and facilitating a holistic development of the students. Various extension programmes stimulate students' awareness in various aspects of life such as health and wellbeing, ecocentric living, patriotism, cleanliness etc. The students who are admitted as NSS volunteers do not stay confined within the college premises but visit the neighbouring localities to carry out various outreach programmes. Cleanliness, use of first aid, awareness to curb diseases such as Dengue, HIV AIDS, oral and cervical Cancer etc are propagated to the local communities. Free health checkup camps and sanitation programmes in the adopted village of Gilapole are organised by the NSS of the college. Students also participate in Republic day parades and various government events such as distribution of Student Credit Cards etc.

**EAST ZONE PRE-REPUBLIC DAY PARADE CAMP 2019**

Prof. Basab Chowdhury, Honorable V.C. of WBSU, gave certificate to NSS Volunteer Ashalata Roy.

(‘From 8/11/19 to 17.11.19 Ashalata Roy, NSS Volunteer of Netaji Satabarshiki Mahavidyalaya went to take training in ‘East Zone Pre-Republic Day Parade Camp 2019’ as representative of West Bengal State University.

*Prof. Basab Chowdhury, honorable V.C. of WBSU, gave certificate to NSS volunteer Ashalata Roy.*

*Extention programme*

## STUDENT HEALTH HOME

The college is an institutional member of Student Health Home located at Habra, a branch of the Central Students' Health Home in Kolkata. Each student of the college is entitled to health assistance from these centers for which he/she has to collect Health Home Card from the college office. A MOU has been signed with 'Matrisadan' a hospital run by the Municipality to ensure that students and staff of the college are provided with discounts in case of treatment.

## PARENT-TEACHER MEETING

Our institution believes in creating a strong partnership between teachers and parents with the common goal of addressing the concerns and priorities of the students. Meetings with the parents are regularly held and a parent is always welcome to consult the teachers and the college authority if it is necessary. From 2021-22 session, the parents and teachers of different departments have been meeting at the college after the pandemic break.

*Parent-teacher meeting at college*

## STUDENT COUNCIL

Our affiliating university WBSU has put in place an extensive framework for the activities, functions, and constitution of the student council. This statutory body, in our college, has been playing a vital role in promoting academic interest among the students

and also helping the administration to maintain discipline in the college campus. The important activities of the council are itemized below:

- Organisation of inter-class debate, sports competitions.
- Cultural events. Organisation of recreational activities for students
- Addressing the grievances and various other problems of the students.

## NURTURING THE THINKING MIND

The college publishes a magazine called Uttarsuri every year. In this magazine, the students and staffs contribute articles and other creative pieces. This helps to create an environment of academic enthusiasm. Teachers' Council, Netaji Satabarshiki Mahavidyalaya has been publishing a journal named Different Strokes: A collection of Essays since the 2015-16 academic session. This annual journal encourages the teachers to express their own understanding of the different socio-cultural, economic developments of our nation and its historical journey towards progress.

Publication of Uttarsuri, 2019

Different Strokes

## WALL MAGAZINES

Most of the departments have its own wall magazine which the students design every year. The student of the department of Education also prepared an e magazine named "Shikshachintan" to commemorate World Environment Day on 5th June. They addressed, through writings and poems, various themes like pollution, climate change and other environmental issues. The IQAC of the college also organized a poster competition emphasizing the importance of eco-centric living. Students from our college and also other colleges participated and they were rewarded and provided certificates in accordance with their performance.

## DISTANCE EDUCATION CENTRE (POST-GRADUATION)

We have inaugurated a Distance Education Centre under Netaji Subhas Open University. The Distance Education Centre of our college has started its journey from 2019-20 academic session for PG course only. Our center offers distance PG courses in five subjects- Bengali, English, History, Political Science, and Education. The Coordinator of the Distance Education of our college is Dr. Pradip Kumar Mandal.

## CULTURAL ACTIVITIES

Since the establishment of the college, various cultural activities have been the forte of the institution which teaches the students to maintain a balance between academics and cultural programmes. The students who zealously engage in such activities have earned accolades in various competitions. Cultural activities also broaden the students' outlook towards life.

List the activities along with photos as done in the prospectus of the previous year.

1. Rabindra Prayan Diwas 8th August
2. Independence day 15th August
3. 24th September Vidyasagar's Birth Anniversary (extempore speech competition)
4. 29th September Agamoni and Gandhi Jayanti
5. 5th January Annual prize distribution ceremony
6. Vivekanda's birthday celebration 12th January
7. Netaji's birthday 23rd January
8. Republic day 26th January & Saraswati Puja
9. International mother language day 21st February
10. International women's Day
11. 8th May R abindra Ja yanti

Flag hoisting on Republic day

**January:**

- ▶ Agomoni Utsav

In addition to this, some programmes are arranged at the departmental level at times on several occasions. All programmes are turned into an enriching experience with spontaneous participation of teachers, students and non-teaching staff.

## PREVIOUS ACHIEVEMENTS AND SPORTS

The college always tries to motivate and encourage the students to participate in Youth Parliament, various academic, cultural, and sports competitions. The students of our college have time and again proved their capabilities and excellence by being lauded with awards and trophies in diverse fields.

## OTHER FACILITIES

### GYMNASIUM

In order to encourage the students to gain a healthy physical life, the college has opened a gym. The different aerobic and strength gaining exercises help them to lose weight, improve their heart condition, prevent osteoporosis, gain flexibility and these things lead to an emotional betterment.

*Inauguration of gymnasium*

### COLLEGE CANTEN

A new building for the college canteen and student utility center was made available to the students. The college canteen has separate eating arrangements for students and staff. Various types of good quality food

items and refreshments are provided as per the need of the students/ staff. Apart from its functional utility, the canteen also becomes a hub for the students to interact and create bonds with fellow students. Special attention is taken to maintain the quality and hygiene of the food items. Filtered drinking water is also supplied in the college canteen as well on every floor.

*College canteen*

## STUDENTS' COMMON ROOM

Both Girls' and Boys' common rooms are spacious and airy. They have various indoor game facilities like table tennis, carom and chess. Magazines and newspapers are also provided in the common room for the recreation of students. The students publish wall magazines where they express their thoughts in various forms like drawing and painting, poems, stories, etc.

## WEATHER STATION

An automatic weather station (Davis vantage pro2) has been installed at the premises of the college to record the daily meteorological data like rainfall, temperature, relative humidity, wind velocity, etc. which would in turn be shared with Ashoknagar-Kalyangarh municipality and would thereby help in creating a better environment for the local inhabitants of the area. It will be also effective for the agricultural sector in and around Ashoknagar.

*Weather station*

**IN LOVING MEMORY OF OUR PRINCIPAL SIR  
DR. SUDHANATH CHATTOPADHYAY (1958-2023)**

*“Life Loses Half Its Interest If There Is No Struggle- If There Are No Risks To Be Taken.”-*

*-----Netaji Subhas Chandra Bose*

In consonance with Netaji’s inspiring words, our college with many of its shortcomings is replete with hope to achieve excellence and is ready to toil, to strive, to take up risks and challenges to reach our goal and to soar higher.
