

# NETAJI SUBHAS CHANDRA BOSE MAHAVIDYALAYA

( Affiliated to West Bengal State University )

## **The Concept:**

The College has developed a well-structured Mentor-Mentee system from the academic session 2020-2021. The mentor is one resort for a student where one can seek knowledge, guidance and support at all times. The mentor bridges the communication gap between parents and management by regularly updating the parents about the student's progress and updates from the college.

## **The Process:**

1. Regular meetings are held between mentor and mentee.
2. The mentor keeps a record of all the names and contact details of his/her mentee.
3. The mentor gives personal attention to the mentee for their academic or stress related issues.
4. The mentor gives advises, suggests measures, contacts the guardian if necessary.
5. The mentor may also seek the help of professional counsellors if it is necessary.
6. The record is kept for future references, although the data is treated as extremely confidential.
7. Students are allowed to approach the mentor for both academic & personal problems, through telephone, Whatsapp, messaging or by meeting the mentor personally.
8. The system has helped bridging the gap between the teacher and the student.

## **MENTOR-MENTEE LIST**

This is hereby notified that the following fulltime teachers will be in charge of mentoring the students listed below for all academic and stress related issues for the session 2020-2021.
