

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust

#### Vision, performance and thrust of the institution:

The establishment of the college, Netaji Satabarshiki Mahavidyalaya, was the fulfillment of a dream long cherished by the eminent personalities and educationists of the township. The teaching-learning and evaluation and infrastructure of the college are conducive to academic upliftment. It has struck a chord among the neighboring schools and colleges. The results of university examinations speak for our attainment despite being saddled with shortage of funds, manpower and infrastructure. The college has earned a name among the higher education-seekers so much so that boys and girls from far-flung areas and from among minority and under-privileged sections of the population seek admission to get into the 1st year classes of BA & BSc. The minority and backward class students comprise the larger portion of the roll-strength and, thus, it is our responsibility to reach out to these students and address their aspirational need.

Students of this college earn distinction regularly in university examinations as teachers and college authority prioritize academic progress. Our students are also encouraged to develop themselves in extra-curricular activities through annual sports and different sports tournaments and through cultural programs, organized in the institution every academic year. The thrust of this institution is aimed at making it a centre of quality education through an all-round development.
